### Summer Reading

Titles have been selected with age-appropriate reading content and levels in mind. Parents are encouraged to help their child select a book by previewing the titles for difficulty of the text, subject matter, and content. Titles considered for inclusion in a summer reading list are chosen as they tie in with the school's curricular initiative and provide students with an opportunity for independent, recreational reading. Please select one book and one activity to do with your child for their summer reading.

#### **Books:**

- If you Give a Mouse a Cookie
- Curious George Visits the Zoo
- Lola at the Library
- Boomer Goes to School

#### **Activity:**

1. Draw your picture of your favorite page in the story. If possible, explain in writing why this page is your favorite.
2. Draw a map of the book's setting. Explain the setting in two or three sentences below the picture.
3. Make a picture timeline of all the events in the book.
4. Rewrite the story in picture book form.
